Registered office at:	

Prioritized Party	
Name organisation: (As registered as BRP)	
EAN-code:	
Registered office at:	

The Authorizing Party herewith authorizes the Prioritized Party to have priority in nominating energy transactions towards TenneT TSO B.V.

In case of registration of priority nomination the difference in nominations between said Parties, the values of the Prioritized Party will be used by TenneT TSO B.V. in the imbalance settlement.

This registered authorization is valid until it is terminated by the Authorizing Party by newly submitting the "Form Authorization Priority Nominations (register or revoke)" ticked as revoked to TenneT TSO B.V.

This authorization or revocation enters into force as soon as possible or on the preferred specified date:

Business day:	
---------------	--

TenneT needs at least two working days to process the authorization/revocation in its systems, and both BRPs need to be acknowledged by given date. After having processed the priority nomination form, TenneT informs both the Prioritized BRP as well as Authorized BRP.

The undersigned declares that it has sent a copy of this authorisation/revocation to the Prioritized Party:
